

## **FACE MASK REQUIREMENTS INSIDE THE ROBERT W. PLASTER CENTER AND WEEDE PHYSICAL EDUCATION BUILDING**

Face masks/coverings are required for everyone inside the facilities. The type of mask and the proper way to wear it should be consistent with CDC recommendations.

Athletes will be required to wear masks except when they are warming up or competing; see below for definitions.

All attendees must supply their own masks.

### **DEFINITIONS**

#### **Warming Up**

Athletes will only be allowed to lower/remove masks while within the designated warm-up area while actively engaging in physical activity. Sitting, conversing, or non-physical activity within the warm-up area will require masks to be worn.

Athletes stretching or engaged in other activities outside of the designated warm-up area will not be considered as warming up and will be required to wear masks.

#### **Competing**

An athlete will not be considered as competing unless he or she is engaged in event warm-ups or an official timed/recorded activity. Waiting in line at jumps or throws, awaiting a subsequent heat on the track, being ushered, or other non-active preparatory activities will require athletes to wear their masks.

### **ENFORCEMENT**

Officials and meet administrators may provide a warning to any athlete not wearing a mask in adherence to the definitions listed above. If multiple warnings are issued, removal from the facility may result.
